THANK YOU

Thanks to those that on November 11, 2009 helped and donated food to the Salvation Army Ann, Jamie and Lauren McLaughlin, Richard Hetge, Harry Fessler, Norma Waggoner, JoAnn Phelps and Carole Springgate

And thanks to all that helped with the Salvation Army Dinners through the year 2009.

Improvements to the parking lot was completed in the fall. Patching, sealing, and striping.

Thanks to all that contributed financially and made this project possible.

Buildings and Grounds Committee

Thank you very much for your most generous help with the Prison Fellowship Angel Tree this year 2009. Your gifts for the children were wonderful. Yours in Christ

Charlotte Buehler and elves

A special Thanks to the Deacons for the Christmas Stocking filled with goodies. I appreciate your thoughtfulness to those of us that are pretty much home bound. I miss being able to get out and I always enjoy the visits.

Thanks again, Sincerely, Dale Bailey

Thanks to the ***Monday Night Elm Street Al/Anon group*** who made an extra donation to Elm Street for our kindness in letting them use the facility at a reasonable rate.

These thank you notes from ***John Kennedy*** were received just after the last Elm Leaf came out and that is why they are belated.

I would like to express my belated THANKS and APPRECIATION for the Birthday cards and Wishes that I received from my Church Family. Thanks so much!

I want to express my Thanks and Appreciation to the Deacons and the Outreach and Fellowship

Committee for their sponsoring of Jane Hellrung, George Humbert and I, on our most recent Mission trip to Louisiana. They gave \$300.00 for the three of us, that money was placed in a pool (not a swimming pool) but one that the group would use for GAS and FOOD on the trip down and back.. We had a meeting about one week prior to our departure and at that time about \$1,200.00 had been raised. That was to purchase gas for three vehicles and food for 20 people, to and from Louisiana. Last year they had about the same amount of people, however they had approximately \$2,800.00 donated. It cost them about \$1,300.00 last year and the rest they donated to the PDA

(Presbyterian Disaster Assistance) organization where we stayed. We each paid \$140.00 to go on this mission trip. That was for our Food and Lodging there at Olive Tree Village. Once

again, I am so PROUD of ESPC for being there when it really matters. Jane, George (I hope he doesn't mind me claiming him on this trip) and I, made up 15% of the people on this trip and

prior to leaving ESPC provided 25% of the funding. Actually, ESPC had offered more, but I felt the \$300.00 was more than fair. I know that I have said this before, many times, but it is so true, WE ARE SMALL, BUT MIGHTY! Even in our DIFFERENCES, when it really matters we pull TOGETHER. In the near future, I will share more about our mission trip and what we did for a week. And perhaps George may do that at some point. He provided all who were there with a very moving devotional; service and song that last night we all shared dinner in the village.

Thanks So Much, John Kennedy

Last but certainly not least. This one is a little tougher, but I felt you all should know, I've thought about it for some time and just what and how much I should say or if I should say anything. Several of you have asked about Jane, how she is and where she has been. And because many of you met her at the same time that I did, at ESPC, you have known her as long as I. We were introduced by Laura Gill (God Rest Her Soul). She felt that Jane and I needed to meet and wouldn't give up until we did, just like she never gave up her battle with breast cancer (She fought to the end). THANKS LAURA. Jane and I have been together off and mostly on for the last 7 years. A little while back we had one of our off moments. In that time period some friends of Jane's invited her to their church ((The First United Methodist), one of the new ones on Airport Road in Godfrey. She has attended there a few times and I have even joined her once or twice. We do still see each other and do things together, however not the same as in the past. Our relationship has gone in a little different direction. I believe that you will see her from time to time at ESPC and there are times that I may join her in Godfrey. This is not something Jane has taken lightly. There are several at ESPC that Jane formed a Special Bond with and will always have a Special place in her Heart for them. The people at ESPC have left her with many fond memories, as I'm sure she has also given them. I hope that you understand why I shared this with the people of ESPC, Buck, Bill and Esther ask me on a regular basis about her and where she was, so I shared some of this earlier with them. If, you know Jane you know she likes to travel and does. So, just for the record, Yes, she was traveling and visiting children and grandchildren during this period. I say this because often when Buck or Bill would ask, she was out of town. It is not my nature to lie and at some point I would have to, if I didn't share this with you all, Jane will tell you that I am honest to the point that it hurts (that is not always a good thing). Jane is not at ESPC, not because of you, but because of me. *Thanks to My ESPC family, God Bless You Always, John Kennedy*

The Jeff Auston Family would like to thank everyone for their prayers, cards, kind thoughts on the loss of Karen's mother Marjorie Johnson.

Thanks to all who helped ring bells for the Salvation Army, worked the lights at Rock Spring Park for Christmas Wonderland, helped with the Angel Tree at Christmas, helped with the Lenten Service meal, provided coffee hours and helped in any way during the year. You know who you are.

The *Worship Committee* would like to thank the 12 that stayed after the worship service and helped take down the Christmas decorations, it only took an hour, much less time than usual. Great Teamwork!

ESPC received a thank you note from *Christmas Wonderland* and a \$250.00 check.

The *Camp and Conference Ministry Team and Mound Ridge Staff* would again like to express our most sincere Gratitude to everyone who has helped bless us this year.

3. Q. Which chapter is in the center of the Bible?
4. Q. What is the center verse of the Bible?

There are 594 chapters before Psalm 118. There are 594 chapters after Psalm 118. Add these numbers up and you get 1188.

Answers:

1. Psalm 117
2. Psalm 119
3. Psalm 118
4. Psalm 118.8

Does this verse say something significant about God's intention for our lives?

Psalm 118.8 "It is better to trust in the Lord than to put confidence in mortals."

WALLACE JOURNAL

But those who wait on the LORD shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint. Isaiah 40:31

Dear Friends,

The word "suddenly" has always meant something very specific to me over the course of my life. I have to admit that it often frightened me to imagine events or circumstances that could happen abruptly or occur "suddenly." The term was definitely not something that brought a flood of positive thoughts to mind. I think that its easy to walk down that road of fear where thoughts bombard our conscience about what *might* be or what *could* happen. Recently, the Lord has been speaking to me about that word. I was amazed to see how often the word was used throughout scripture. It seems that the situations that followed "a suddeny of God" were quite miraculous. Through this understanding and revelation, I saw that this term that often brought fear into my life, now brought excitement and joy. I now had more faith to believe that God could come to my rescue even if it seemed like failure was knocking at the door. I found hope in

meditating on the idea that God can and will show up. There is no circumstance that could overpower Him. In an instant He can bring salvation. So be encouraged in the truth that God is not limited by our resources or our time frame. Allow the "suddenlies" to become an everyday occurrence in your life and trust that when there seems to be no way out that God can change events suddenly for your good!! Many of you know that Naomi and I now live in the city of Atlanta. We have been here for almost 3 months and it has been quite the journey. Our goal for this expedition has been to plant a team of missionaries within Atlanta. We have been seeking God for others to come and join us and right now we are still standing in faith that in His timing we will see others come and partner with us in this mission. During these past few months we have had our struggles but we have also seen great victory. Just this week we made plans with 2

muslim men to start a holy book study with them. We are praying that this is just a start to the many muslims that will come and join us in studying the Word of God.

NEWS AND UPCOMING EVENTS:

ETHAN DAVID WALLACE
BORN: AUGUST 2ND, 2009 AT 1:07AM | G.LBS 90Z

WE WILL BE HOME (TAMPA) FOR THANKSGIVING FROM WED. THE 25TH UNTIL SUN, THE 29TH. WE WILL BE GOING TO RIVER OF LIFE ON SUNDAY AND LOOK FORWARD TO SEEING MANY OF YOU THERE.

Next week we will also be starting a prayer gathering at our home and have invited believers from our community. We are hoping that this time will be fruitful and that God will release vision for the other believers living in this community and that we can impart our heart for the lost to them so that they might join us in reaching this city for God.
